SECTION 3 – GENERAL CONDITIONS

The following conditions apply to all sections of this policy. You must comply with them to have the full protection of your policy. If you do not comply with them, then we may not pay your claim, we may cancel your policy or we may treat your policy as if it had never existed.

1. Providing accurate and complete information

The information **you** give to **us** is important as **we** use this in setting the terms and **premium** for the **policy**. **You** must take reasonable care not to give **us** information that is untrue, incomplete or inaccurate. If any information changes **you** must notify **us** immediately.

2. Changes in your circumstances we need to know about

Please tell **us** if **your** circumstances change. If **you** are in any doubt, please talk to **us**. We will tell **you** if a change in circumstances affects **your** insurance. Here are some examples of changes that **you** must tell **us** about.

1. If **your** address changes.
2. If **you** change occupation.
3. If **you** add items to, or take items off, **your policy**.
4. If **you** or **your family** have been declared bankrupt (sequestration in Scotland) or there have been bankruptcy proceedings against **you** or **your family** or a county court judgement or similar.
5. If **you** or **your family** have been convicted of any offence other than a driving offence.
6. If **your home** will be **unoccupied** or unfurnished for more than 60 days in a row (losses are more likely to happen in **unoccupied** or unfurnished properties).
7. If **you** are having any building work done.
 - You must tell **us** before the start of any building work, conversions, renovations, demolitions and extensions at **your property**.
 - You must tell **us** about the work at least 30 days before it starts.
 - (You do not need to tell **us** if the work is for redecoration only, is routine maintenance or is to replace or refit existing kitchen or bathroom fittings and does not involve making any structural changes to walls, ceilings or floors.)
 - You must also tell **us** if the building work alters the number of **bedrooms** or bathrooms.
8. If **you** or **your family** intend to let or sublet **your home** or if **your home** is no longer occupied only by **you** or **your family**.
9. If **you** or **your family** intend to use **your property** for any other purpose than:
 - domestic purposes; or
 - business administration purposes.
 - If the **property** is no longer **your main home**.
10. If the **property** is no longer **your main home**.
11. If **your home** is due to be **unoccupied** if known.

3. Making a change to the cover under the policy

If **you** want to make a change to the cover under this **policy**, **you** should tell **us** immediately via the **Getsafe** app, or email or by phone. When **you** tell **us** about a change, **we** will let **you** know if it will affect **your** insurance. For example, **we** may change the terms of **your** insurance, **you** may have to pay more for **your** insurance, or **we** may cancel **your** insurance in line with the Cancellation section below.

4. Cancellation Rights

1. If **you** decide within 14 days of first taking out this **policy** or of receipt of **your policy** documents, that the **policy** does not meet **your** requirements, **you** may cancel the **policy** and receive a full refund of the **premium you** have already paid.
 2. After 14 days of first taking out this **policy**, if **you** cancel the **policy**, **we** will give **you** a pro-rata refund of the monthly **premium you** have already paid for the remaining portion of the **period of insurance**.
 3. If the **policy** is cancelled, the **period of insurance** ends on the cancellation date.
 4. You can cancel the **policy** using the **Getsafe** app or by contacting **our** Customer Service team.
 5. Cover under **your policy** will not commence and **your insurance policy** will not be valid until **we** receive payment of **your first premium**. If **we** have not received payment of **your first premium** on the date **your policy** is due to commence, **we** will notify **you** by email that **your policy** is not in force because **we** have not received payment and invite **you** to make the necessary payment.
- Once cover under **your policy** has commenced, **we** can cancel the **policy** by giving 14 days' notice by email. **We** will only do this for a valid reason, for example if:
- If **you** don't pay **your premium** when due after **you** have paid **your first premium** or if **you** miss a payment, **we** will notify **you** and give **you** a further date to pay. **We** will give **you** at least a 14 days' notice if **we** intend to cancel **your policy** due to non-payment. If **we** don't receive payment by the provided date, **we** will cancel **your policy**;
 - **We** reasonably suspect fraud;

- You don't co-operate with us, **you** do not treat **our** employees with respect or **you** do not provide, when requested, information or documentation which affects **our** ability to process a claim or defend **our** interests;
 - You have not given **us** complete and/or accurate answers to the questions **we** ask;
 - If **you** or **your family** members have ever been made bankrupt or insolvent, have been subject to an individual voluntary arrangement, or have ever had a court judgment issued against yourselves, including any County Court Judgment;
 - You have committed a crime with regards to this **policy** or have failed to inform **us** of any unspent criminal convictions;
 - You have failed to inform **us** of any current incidents that could lead to claims being made under this **policy**;
 - You have failed to inform **us** of **you** ever having insurance cancelled or voided in the past. **you** have visitors entering **your property** for the purpose of carrying out business, and **you** have employees working at **your property** for the purpose of carrying out business.
6. If **we** cancel the **policy**, **we** will give **you** a pro-rata refund of the monthly **premium** **you** have already paid for the remaining portion of the **period of insurance**. However, **we** will not refund any **premium** if **you** have made a claim or for another valid reason, including where **you** make a false claim and/or provide information recklessly or provide deliberately false information.
7. **We** will not make any payment under this **policy** unless **you** have paid the **premium**. If **you** miss **your** first payment, **your policy** will not be valid. If **we** do not receive **your** first payment, **we** will contact **you** by email and invite **you** to make payment within 7 days from the due date. If **you** make payment within 7 days, **we** will treat **your policy** as in force from the original **policy** start date.
8. If **you** have made a **claim** during the **policy period** then **you** will have to pay the full **premium**, so **you** won't receive a **refund**.

5. Renewals

Your **policy** runs from the start date shown on **your schedule** for 12 months. **Your policy** may be automatically renewed, and payment taken at the end of the cover date set out in **your policy** document unless **you** contact **our** customer services department to opt-out of **automatic renewal** 2 working days before the renewal date. **We** will contact **you** before **your** renewal date and before taking payment to confirm **your** renewal terms.

If **you** change **your** mind after **your policy** has been renewed, **you** will have a 14-day cooling off period so **you** can still decide to cancel free of charge and will be refunded in case **we** already took payment.

You can opt-out of **automatic renewals** at any time by contacting **our** customer service department without cancelling **your policy**.

6. Premium payment

We will not make any payment under this **policy** unless **you** have paid the **premium**.

7. Contracts (Rights of Third Parties) Act

You and the **insurer** (Getsafe acts as agent of the **insurer**) are the only parties to this **policy**. Nothing in this **policy** is intended to give any person any right to enforce any term of this **policy** which that person would not have had but for the Contracts (Rights of Third Parties) Act 1999.

8. Deliberately false or recklessly given information

If **you** are found to have deliberately or recklessly given false information the **insurer** will treat this **policy** as if it never existed and refuse all claims. **You** must repay any payments already made by the **insurer** under the **policy** and no **premium** will be returned to **you**.

9. Carelessly given information

If **you** acted carelessly when giving **us** **your** information, several things could happen:

1. if the **insurer** provided insurance cover that they would not otherwise have offered, the **insurer** will treat this insurance as if it had never existed. If this happens, the **insurer** will give **you** back **your premium** and **you** must repay any payments already made by them under the **policy**;
2. if the **insurer** would have insured **you** on different terms, the **insurer** will amend this retrospectively and apply these amended terms to all claims under the **policy**, including any claims **you** have already made; or
3. if the **insurer** would have provided this **policy** but charged a higher **premium**, the **insurer** may reduce the amount payable for any claim or loss in the proportion that the **premium** **you** have paid bears to the **premium** the **insurer** would have charged if **you** had fairly presented the risk to the **insurer**. This remedy may apply in addition to 2 above.

10. Other insurance

We will not pay any claim that would be covered under any other insurance **policy** if this **policy** did not exist. However, if the other insurance cover has all been used up, **we** will pay the amount that is over the cover available under that other insurance. If there is more than one insurance **policy** in place, the total amount **you** receive will not be more than the amount **we** would have to pay **you** if only this **policy** was in place.

11. Fraud

In order to protect **our** customers from the cost of fraud, **we** work to detect and prevent fraud. **We** expect **you** and **your family**, and anyone acting for **you**, to act honestly.

If **we** find that **you** deliberately or recklessly provided **us** with false or misleading information when taking out or varying **your policy**, this could affect **your** insurance cover and any claim **you** make.

We may treat this **policy** as if it had never existed (it will become void) refuse to pay all claims, and not return the **premium** **you** have paid.

If **you** make a fraudulent claim under this **policy**, **we**:

- a) do not have to pay the claim;
- b) may recover from **you** any amounts **we** have paid **you** in connection with the claim; and
- c) may treat the contract as having ended at the time of the fraudulent act.

We will give **you** notice if **we** plan to do any of the things listed above.

If **we** use **our** right under clause c) above, **we**:

- a) will not be liable to **you** for any loss, **damage**, injury or liability which arose after the time of the fraudulent act; and
- b) do not have to return any **premiums** **you** have paid.

If this **policy** provides cover for any other person besides **you** (a 'covered person'), and a fraudulent claim is made under this **policy** by or on behalf of a covered person, **we** may use **our** rights set out in this clause 6 as if there were a separate contract between **us** and the covered person. If **we** decide to do this, it will not affect the cover **we** provide under the **policy** to any other person.

We have the right to recover from **you** or **your family** **our** and **our** representatives' costs in investigating any fraudulent claim. If this insurance becomes void because of fraud or **we** suspect that a crime may have been committed in respect of this **policy**, **we** have the right to tell the police or other relevant authority and to cancel any other insurance policies that **you** have with **us**.

12. Law that applies

Unless some other law is agreed in writing, this **policy** will be governed by the laws of England. If there is a dispute, it will only be dealt with in the courts of England or of the country within the **United Kingdom** in which **your home** is situated.

13. Reasonable care and preventing loss

Please note that:

1. **You** must take all necessary and reasonable steps to prevent or limit accident, injury, loss or **damage** to **your buildings** and **contents** or liability to others.
2. **You** must make sure that **your buildings** are maintained in a good state of **repair**.
3. **You** must keep the **contents** covered by this **policy** in good condition.
4. If any security measures are installed to protect the **buildings** (for example, window locks), **you** must use these whenever the **buildings** are left unattended, as well as when everyone in the **home** has gone to bed for the night.

If **you** make a claim under this **policy** and **we** decide that the loss, **damage**, liability, cost or expense that led to the claim was caused or made worse by **you** failing to meet **your** obligations under this clause, **we** may refuse to pay the claim or **we** may reduce the amount of any payment **we** make for the claim, pay only part of the claim or **we** may cancel **your policy**.

14. Using your property for business purposes

The **property** must not be used to carry out any business activities other than office administration work on behalf of **your** business or the business of **your** employer.

You must not carry out any form of manufacturing, packaging of goods or manual work, including using machinery or tools, in **your property** (including in any **outbuildings** or garages which are part of or attached to the main building).

You must not have visitors entering **your property** for the purpose of carrying out business, and **you** must not have any employees working at **your property** for the purpose of carrying out business. **You** must not store any business stock at **your property** (including in any **outbuildings** or garages which are part of or attached to the main building).

SECTION 4 – CLAIMS

*The following claims conditions apply to the whole of this **policy**. You must comply with the obligations set out in the following claims conditions. If the **insurer** determines that any claim **you** make under this **policy** has been adversely impacted directly by **your** failure to comply with any of the following claim's conditions, the **insurer** may refuse or withdraw from the claim or reduce the amount of any payment they make for the claim.*

Please note, **we** work with **our claims administrator** who handles claims on behalf of **us** and the **insurer**. If **you** have any queries regarding the role of the **claims administrator**, please let **us** know.

Making a claim

You must give **us** notice, as soon as reasonably possible, of anything which is likely to give rise to a claim under this **policy**.

For Home Emergency:

If **you** require **emergency assistance** **you** can speak to the 24-hour **emergency assistance** team on **0190 830 2031**.

For Regular Claims:

You can make a claim with **your Getsafe** app in the claims section. If the app is not available, then **you** can email **us** at: help@hellogetsafe.com or contact the **Getsafe** customer service team on **0203 608 4144**, 9 am to 5 pm Monday to Friday.

Some Important Points to Remember:

1. In case of theft or **damage** within **your home** or on **your property**, call the police or any local relevant authority and make sure **you** get a crime reference number.
2. Try to get lost items back by calling lost **property** services.
3. In case **you** are making a claim with regards to a specified valuable, please have a picture of the said item ready prior to making a claim.
4. Do not throw **damaged** items away – until **our insurer** approves that it is OK to do so.
5. Do not **repair** or replace items without **our insurer** agreeing to it first – unless it's an **emergency**.

Claim Conditions

1. In the event of a call to the **Getsafe** customer service team, **you** will need to provide **your** full name and contact details, **your** address and postcode, the **policy** number and circumstances of the claim.
2. You must:
 - a) within 28 days of notifying **us** of a claim or anything likely to give rise to a claim, give the **insurer**, at **your** expense, any information, including proof of ownership, which they may reasonably require and co-operate fully in the investigation of any claim under this **policy**,
 - b) report to the police or relevant local authority, as soon as reasonably possible, any loss or **damage** arising from theft, fire caused by arson, vandalism, riot or civil disturbance and obtain a crime reference from them,
 - c) give the **insurer** reasonable evidence of the value of all items involved in a claim, and
 - d) be able to demonstrate to the **insurer** that **you** have complied in full with the terms and conditions of this **policy** and that the cause of the loss or **damage** which is the subject of the claim is not excluded.
3. **You** must make every reasonable effort to minimise any loss or **damage** and take appropriate measures immediately if they are required to reduce any claim.

Please note that a withdrawn claim will still count as if a claim has been handed in, and therefore is counted against the claim limits within some sections of this **policy**.

When we receive a claim

When **we** receive a claim, **we** will do the following:

1. Enter any **buildings** following loss or **damage**. **We** will always arrange this with **you** beforehand.
2. Carry out any work that is needed to reduce any further loss or **damage** and secure the site to prevent unauthorised entry, especially if the site may be a risk to health and safety.
3. Negotiate, defend or settle any claim made against **you**.
4. Prosecute or start court proceedings against any other person or business in **your** name for **our** benefit in respect of any claim **we** may have to pay.
5. Arrange the rebuilding work, **repairs** or replacements, and dispose of any **damaged** items appropriately. **We** have the right to choose which contractors to instruct to carry out the work.

Payment of excess

If **you** need to claim on more than one part of **your buildings** or **contents policy** for the same event, **we'll** only make **you** pay one **excess**. This will be the highest **excess** that applies to the parts of **your policy** that you're claiming under.

Recovering a loss payment

The **insurer** may start proceedings in **your** name to recover, for the **insurer's** benefit, the amount of any payment they have made under this **policy**. **You** must give the **insurer** all the assistance they may reasonably require to do this.

False claims

If the **insurer** determines that any claim **you** make under this **policy** has been adversely impacted directly by **your** failure to comply with any of the above claim's conditions, the **insurer** may refuse or withdraw from the claim or reduce the amount of any payment they make for the claim.

Additionally, please note that if **your** claim is in any way dishonest, exaggerated or fraudulent then the **insurer** will:

1. tell **you** that they are terminating **your policy** and back date the termination to the date of the fraud;
2. refuse to make any payment under this **policy** in respect of any claim made or any loss occurring on or after the date of the fraud; and
3. not return any **premium**.
4. If the **insurer** has paid any claims after the date of any fraudulent act, **you** must pay them back to the **insurer**.

If the **insurer** has paid any claims after the date of any fraudulent act, **you** must pay them back to the **insurer**.

SECTION 5 – CLAIM LIMITS

The maximum your policy will pay depends on the type of claim you're making.

It's important that you've got the right amount of cover in place for **your** needs. If you've not taken out enough cover to replace **your property** and possessions as new, this may have an effect on how much **we** pay for a claim. To work out the value of **your contents**, make a list of all **your** belongings and calculate what it would cost to replace them as new.

If **you** make a claim and **we** discover that **you** didn't have enough cover, there are a number of different ways that **we** can handle **your** case. If **our** team decides that **we** wouldn't have offered **you** insurance if you'd given **us** more accurate information when **you** bought **your policy**, **we** won't be able to pay any of **your** claim.

The **insurer** will pay up to the amount insured stated in the **schedule** unless limited below:

Repair and replacement

At the **insurer's** option, the **insurer** will **repair**, replace or pay for any lost or **damaged** items on the following basis:

1. for **personal possessions** other than clothing and footwear, **property** hired-in by you, goods held in trust and art and collections, the cost of **repair** or replacement as new.
2. for clothing and footwear, the cost of **repair** or replacement considering wear and tear based on the following scale:
 - a) less than three years old, the cost of **repair** or replacement as new,
 - b) between three and five years old, a 30% reduction for wear and tear, and
 - c) between five and seven years old, a 60% reduction for wear and tear.
3. the **insurer** will not make any payment for any clothing or footwear that is more than seven years old.
4. for **property** hired-in by you, the lesser of:
 - a) the extent of **your** legal liability in respect of **repairing** or replacing the hired-in **property** as specified in the hire contract, the costs of **repair** of the hired-in **property**, and
 - b) the costs of replacement of the hired-in **property** with a model of equivalent specification, age and condition.
5. for goods held in trust, the lesser of:
 - a) **your** liability in respect of the goods held in trust, and
 - b) the cost of **repair** or replacement at the trade market value of such goods.
6. for art and collections:
 - a) the agreed value of any lost or **damaged** item which is individually valued in the **schedule** or contained in any valuation lodged with **us**. However, if the item is only partly **damaged**, the **insurer** will decide whether to **repair**, restore, replace or pay the agreed value of the **damaged** item. If the **insurer** **repairs** or restores a **damaged** item, they will also pay for any loss in value,
 - b) where any item that has not been individually valued in the **schedule** or valuation, the **insurer** will decide whether to **repair**, restore, replace or make a cash settlement for that item. If the **insurer** chooses to make a cash settlement, they will pay the market value of the item immediately prior to the **damage**.

Settling liability claims

In dealing with a liability claim under the terms of this **policy**, either before or after **we** pay **your** claim, **we** may do the following.

- a) Defend or settle any claim and choose the solicitor who will represent **us** and **you** in any legal action. If **we** do this, **we** will pay any fees involved.
- b) Take any legal action in **your** name or in the name of any other person covered by this **policy**. Once legal action has started, **we** will have complete control of the matter.

Pairs and sets

1. **We** treat each separate item of a matching pair, set or suite of furniture, soft furnishings, bathroom suite or other fixtures and fittings as a single item. If an item that's part of a matching set or suite is **damaged**, **we'll** aim to **repair** it or provide an identical replacement. However, if it's not possible to provide a suitable **repair** or replacement, **we'll** only pay for the **damaged** item. Just to be clear, **we'll** not make any contribution for undamaged items that are part of a set or suite. If an item in a matching set or suite is lost or **damaged**, the undamaged matching items may lose some value even if they haven't been lost or **damaged** themselves. This loss of value is not covered by **your policy**.
2. If you've got a matching carpet or other floor covering in more than one room or area of **your home**, and this is separated by a break, then **we'll** treat each room or area as separate. By break **we** mean something that was originally designed to separate a room, for instance carpet dividing floor strips, doorways, archways and where the remains of previous partitions are still intruding the room. **We'll** only pay for the **damage** to the carpet or floor covering in the room or area where the **damage** happened, and **we** won't pay for matching carpets in other rooms.

- We** treat pairs or sets of anything apart from bathroom, kitchen and furniture suites, as one item. So, for example, if **your** bag of golf clubs was stolen, **we'd** treat these as one item, and would only pay up to the maximum claim limit for a single item to replace the entire set. Similarly, if **you** lost a pair of earrings, **we'd** treat the pair as one single item.

Removing debris

Under the **buildings** section **we** will also pay to remove debris following an insured claim.

Maintenance

A well-maintained building should withstand all but the most severe weather conditions. It is important to remember that **you** are responsible for maintaining **your home** in a good state of repair. If the **buildings** have not been maintained in a good state of repair, when assessing a claim, **we** will take into account the condition of **your property** and **we** may refuse to pay the claim or **we** may reduce the amount of any payment **we** make for the claim.

We will not cover the costs of repairs or replacements, where the costs arise through **you** failing to regularly maintain the **buildings** properly.

Other interests

Any payment will consider the interest of any party having an insurable interest in the **personal possessions**, provided **you** have advised the **insurer** of the nature and extent of the interest together with the name and address of that interested party.

Special limits

1. Single article limit

The most the **insurer** will pay for any item, pair or set, other than cycles, which is not individually specified in the **schedule**, is the single article limit amount shown in the **schedule**.

2. Specified items away from your home

If the amount insured for **personal possessions** while away from **your home** shown in the **schedule** is less than the amount for a specified item shown in the **schedule**, the most the **insurer** will pay in total for all specified items while away from **your home** is the amount insured for **personal possessions** while away from **your home**.

You must take care to ensure that **you** have purchased sufficient cover for specified items while away from **your home**.

3. Cycles

The most the **insurer** will pay for **damage** to any cycle is the amount shown in the **schedule**.

Always tell the truth

It's really important that you're honest with **us** when you're buying a **policy** or making a claim. This applies to **your Buildings** and/or **Contents**, and optional or enhanced covers. Providing wrong or misleading information that **you** know could either help **you** gain financially, or **us** suffer a financial loss, is fraud and pushes up the cost of insurance for all customers. If you've given **us** inaccurate information **we** may void the **policy**, which means **we'd** treat **you** as though the **policy** had never been issued, and **we** wouldn't give **you** a refund.

We might also refuse to pay a claim, or make **you** repay any **money we've** already paid out in claims where fraud has occurred. **We'll** also tell other **insurers** and anti-fraud databases, which could affect **your** ability to get access to insurance and other financial services in the future. **We** may also let the police know, who may choose to bring charges against **you** that could ultimately result in a prosecution. So please make sure that you're always honest with us. This way **we** can pay any claims **you** make and keep the cost of **our** insurance down for all **our** customers.

may need to verify the accuracy of the new personal data you provide to us.

- require the erasure of your personal information in certain situations. This right enables you to ask us to delete or remove your personal data where you have successfully exercised your right to object to processing, where we may have processed your information unlawfully or where we are required to erase your personal data to comply with local laws. We may not always be able to comply with your request of erasure for specific legal reasons which will be notified to you, if applicable, at the time of your request.
- receive the personal information concerning you which you have provided to us, in a structured, commonly used and machine-readable format and have the right to transmit those data to a third party in certain situations. This right only applies to automated information which you initially provided consent for us to use or where we used the personal information to perform a contract with you.
- object at any time to processing of personal information concerning you for direct marketing.
- object to decisions being taken by automated means which produce legal effects concerning you or similarly significantly affect you.
- object to our continued processing of your personal information where we are relying on legitimate interests and there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts your fundamental rights and freedoms. In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms.
- request restriction of our processing of your personal information in certain circumstances. This enables you to ask us to suspend the processing of your personal data in the following circumstances (i) if you want us to establish the data's accuracy, (ii) where our use of the personal data is unlawful but you do not want us to erase it, (iii) where you need us to hold the personal data even if we no longer require it as you need it to establish, exercise or defend legal claims.
- Withdraw your consent at any time where we are relying on consent to process your personal data. It should be noted that this will not affect the lawfulness of any processing carried out before you withdraw your consent. If you withdraw your consent, we may not be able to provide certain products to you. We will advise you if this is the case at the time you withdraw your consent.

If you would like to exercise any of those rights, please:

- email us using the details in 'How to contact us' below;
- write to us using the details in 'How to contact us' below;

- get in touch with us through the App

You will not have to pay a fee to access your personal data (or to exercise any of the other rights). We may however charge a reasonable fee if your request is clearly unfounded, repetitive or excessive. Alternatively, we could refuse to comply with your request in these circumstances.

When you exercise any of these rights, we may need to request specific information from you to help us to confirm your identity to ensure your right to exercise any of the rights noted above. This is a security measure to ensure that personal data is not disclosed to any person who has no right to receive it. We may also contact you for further information in relation to your request where necessary to speed up our response.

We try to respond to all legitimate requests within one month. Occasionally, it could take longer than a month if your request is particularly complex or you have made a number of requests. In this case, we will notify you and keep you updated.

Keeping your personal information secure

We have appropriate security measures in place to prevent personal information from being accidentally lost, or used or accessed in an unauthorised way. We limit access to your personal information to those who have a genuine business need to know it. Those processing your information will do so only in an authorised manner and are subject to a duty of confidentiality.

We also have procedures in place to deal with any suspected data security breach. We will notify you and any applicable regulator of a suspected data security breach where we are legally required to do so.

How to complain

We hope that we can resolve any query or concern you raise about our use of your personal data and we appreciate the chance to deal with your concerns before you approach the Information Commissioners Office, so please contact us in the first instance.

The General Data Protection Regulation also gives you right to lodge a complaint with a supervisory authority, in particular in the European Union (or European Economic Area) state where you work, normally live or where any alleged infringement of data protection laws occurred.
